

# 2019 ANNUAL REPORT

## 10 YEARS OF SERVICE

Dear Friends,

**At Home In Darien** celebrated an exciting anniversary in 2019, marking the first decade of service to Darien seniors.

With your support, we have made a significant impact in the lives of Darien seniors, keeping them connected to the community.

You make it possible for **At Home In Darien** to...

- Help Darien seniors **live independently** in their own homes
- Enable dedicated staff and caring volunteers to prevent **loneliness and isolation**
- Provide essential **door-to-door transportation**
- Allow community-based assistance for **home repairs and seasonal maintenance**
- Offer **home safety evaluations** by a licensed professional
- Invest in **peace of mind** for seniors and their families
- Respond to the overwhelming projected **increase in the senior population**
- Support a **trusted and vital** community non-profit organization
- Enhance a **multigenerational community** for the future strength of Darien
- Ensure that our services to Darien seniors remain **free of charge**

We can't do this without you. Now more than ever, we need your help to continue improving the lives of Darien seniors. A remittance envelope is included should you wish to donate — we will be forever grateful.

Join us on Facebook, sign up to get our Monthly Calendar of Events, volunteer, learn about half-price taxi-vouchers, use your free membership card, and take advantage of all that we have to offer.

We look forward to continuing to provide important services to Darien as we kick off our second decade!

Sincerely,

*Susan M. Bhurud*

Connecticut’s Older Adult Population Projected Growth

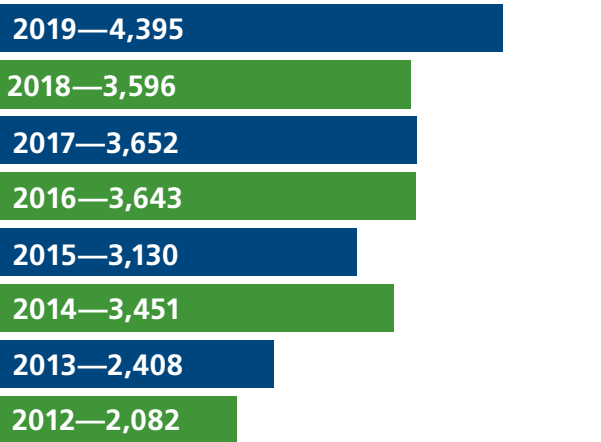

The senior population is on the rise across America. During the last decade, Connecticut’s 65+ population grew faster than the general population. This trend is expected to continue for more than another decade.

**At Home In Darien** is looking ahead and building services to meet the increasing needs of our senior population.
